

Sunday, Funday @ The Karel's

What can I expect to do?

First and foremost, have fun! There are many opportunities to experience inland-lake life, here in Michigan. Activities such as riding in a ski boat, water skiing, wake-boarding, and tubing are some of the favorite activities. Swimming, floating on rafts, and fishing are also available for those who like to take it easy near shore. Other types of activities include kayaking, or walking along the sandy shore. For those who like to stay dry you can try sand-volleyball or basketball. Also, there are yard games to play such as corn hole, Jenga, horse shoes, or croquet. You can create your own fun by choosing from these activities.
